DECISION BELOW: 389 F.3d 973 (10th Cir. 2004)

QUESTION PRESENTED

Whether the Religious Freedom Restoration Act of 1993, 42 U.S.C. 2000bb *et seq.*, requires the government to permit the importation, distribution, possession, and use of a Schedule I hallucinogenic controlled substance, where Congress has found that the substance has a high potential for abuse, it is unsafe for use even under medical supervision, and its importation and distribution would violate an international treaty.
